### ACTIVITIES:

In the month July 2009 first we review the previous classes conducted on tailoring machine to the students. The Introduction of tailoring, different types of stitching for different types of clothes, method of inserting threads in the needle, in bobbin case and some basic cutting methods and some little dress makings as hand kerchief trousers, frock, petticoat etc. During the third month of this project these pupils improved their quality of stitching and cutting and newly given designed cutting cloths were stitched perfect fully. Namely Skirt, jumper, four types skirts, in skirt, middy, uniform skirt, skirt and the pupils were asked to do practical tests much carefully and they were given more practical classes. Their progress reports of the above students were mentioned above and thus classes were in continuous process. And the children's were attending classes with much interest.
