ACTIVITIES:

In the month August 2009 first we review the previous chapter taught to the students. Little hardware units of the computer, Ms-word, Ms-excel is taught in this month and its usage as to prepare mark sheets, bills, time table chart. and given practical tests that we have taught earlier. During the fourth month of this project children's improved their typing skills and were taught ms-word software and its usage, importance of this software was given notes and more practical tests were conducted and most children's performed well and their progress report were mentioned above. And the children's were attending classes with much interest.

ACTIVITIES:

In the month August 2009 first we review the previous classes conducted on tailoring machine to the students. During the fourth month of this project these pupils improved their quality of stitching and cutting and newly given designed cutting cloths were stitched perfect fully. In this fourth month, Chudithar was taught as new type of stitching and the pupils were attending the classes with more interest.
