ACTIVITIES:

In the month June 2009 first we gave a brief note on computer to the students. As Introduction of computer, Basic of computer, little hardware units of the computer, and some of computer programmes like paint, notepad, word pad, Ms-word, and given more practical classes that is how to handle mouse, typing letters in the keyboard. And thus classes were in continuous process. And the children's were attending classes with much interest. In the month June we conducted exams for the students and their performance were mentioned above.
