## Report:

Our aims teachers' are working well in our schools regularly. Our teachers **M.Josephin punitha & B. Floring stella** are conducting special evening study classes in their schools for poor students. Our teachers, **A.Jothi** (Government Girls primary school. Colachel) & **B.Floring Stella** (Government middle school near register office, Colahel) have resigned their job for getting another job. So Miss .Mehala & T.Pushba bai continue their work.

I have visited several times this school in this month. And also the Head Masters said that our teachers are obedient and very sincere in their work. In summer holidays our teacher worked to increase the student's strength, find out the dropout students and help them to continue their education. Mr. Joseph had visited our schools and discussed with our teachers, Head masters and students on 22-6-2009 and 23-6-2008. He discussed with us and gave some ideas to develop our project as well as possible. We assure that our project will be going on well in our district.
