Evaluation

Teachers' activities in the schools

Now our eight teachers are working in seven schools which haven't sufficient teachers. They are working well in their schools, taking special care about weak students and assisting to the teachers.

On this way Aims India pays salary for eight teachers 500 each and the regular Teachers of the school paying 500 rupees. Totally the AIMS teaching assistance are getting 1000 rupees each.

The ABL Method learning is in process of our all school. So, there is lot of steps which should be followed by the teacher according the ABL methodology.

Teachers' Evaluation Table:

1. Hearing from the Head Masters of the schools.
2. Development the students.
3. Active participation in the school development activates along with the school management.
