

Aims India

SCHOOL TEACHING ASSISTANCE PROJECT

Monthly Report

Project no: 2

Reporting month: June 2010

Reporting date: 04/07/2010

PROJECT TITLE: Aims School Teaching Assistance Project

Report:

AIMS teachers are taking special care to improve educational skills for poor students in their schools as regularly. Our teachers had worked twenty days in this month. T. Pushba bai and M. Josephine Punitha are conducting evening study classes in their schools (Government middle school, Near Register office, Colachel) as usually. Our schools reopened on 1/6/2010. We had planned to work in government school only, because management schools have some other source. So we stopped our help to two management schools, (St. Allocias High school, Nagercoil & St James Primary school, Vaiyakudi). Now we are working in 14 schools. 16 teachers & more of 1000 students are benefited by AIMS INDIA.

We (Mr. Deejo & I) had conducted the monthly planning meeting in my home on 01/05/2010. In this day we had planned to conduct training continuously about **Ecology & Environmental science as usually.**

Based upon our monthly planning, I gave a lecture to the students on **Ecology** about rain fall in tamilnadu in this month.

On this way we are doing something what can we do. More of 750 students were attending in the training in their schools (Average 40 students in a school). We will continue our work in our schools as well as possible

The training subjects (Titles)are listed below

Rain fall in Tamilnadu

1. What is monsoon?

Monsoon is traditionally defined as a seasonal reversing wind accompanied by seasonal changes in precipitation, but is now used to describe seasonal changes in atmospheric circulation and precipitation.

2. Duration of south west monsoon: June to September

3. Duration of North East monsoon: October to December

4. Rain fall in kanyakumari District:

Our District has a rain fall during the both monsoon. (South west monsoon & North East monsoon)

5. What is rain?

Monthly Visiting & training Details of our schools is listed below
