

Aims India

SCHOOL TEACHING ASSISTANCE PROJECT

Monthly Report

Project no: 2

Reporting month: January

Reporting date: 02/02/2010

PROJECT TITLE: Aims School Teaching Assistance Project

Report:

AIMS teachers are taking special care to improve educational skills for poor students in their schools as regularly. Because of pongal & republic holydays (14, 15, 16&26) our teachers had worked only twenty days in this month. T. Pushba bai and M. Josephine punitha are conducting evening study classes in their schools (Government middle school, Near Register office, Colachel) as usually.

We (Mr.Deejo & I) had conducted the monthly planning meeting in my home on 04/02/2010 at 10.am. In this day we have planned to conduct training continuously about **Ecology & Environmental science as usually**. We had already given a lecture about solar eclipse while the solar eclipse happened in India on 22/07/2009. So our students know about it very well. And we gave some more details about solar eclipse (**Recent solar eclipse in India** from 11:25:32 AM to 03:15:13 PM hrs (Indian Standard Time) on January 15th, **2010**)

And we celebrated our republic day in Government middle school, Colachel at 10 am on 26/01/2010.

Schools were reopened on 04/02/2010 after half yearly vacation. Based upon our monthly planning, in my visits of this month I gave a lecture to the students on **Ecology** (in easy teaching way method).

More than 300 students were attending in the training in their schools (Average 40 students in a school). Now they know something about earth. We will continue our work in our schools. And I attended Republic day celebration in Helan Nager Center (Aims S D C.) with Mr. Deejo at 4pm on 26/01/2010.

The training subjects are listed below

1. Biosphere

2. Lithosphere

3. Hydrosphere

4. Atmosphere
