PROJECT TITLE: Aims School Teaching Assistance Project

Report:

AIMS teachers are taking special care to improve educational skills for poor students in their schools as regularly. Our teachers had worked twenty one days in this month. T. Pushba bai and M. Josephine punitha are conducting evening study classes in their schools (Government middle school, Near Register office, Colachel) as usually.

We (Mr.Deejo & I) had conducted the monthly planning meeting in my home on 01/03/2010 at 10.am.In this day we had planned to conduct training continuously about **Ecology & Environmental science as usually**. And I had participated in schooldays celebration in Government middle school, mankarai, Government middle school, Colachel & Government primary school, Kaliyakkavilai in this month.

Based upon our monthly planning, I gave a lecture to the students on **Ecology** (in easy teaching way method) in this month as usually.

More of 300 students were attending in the training in their schools (Average 40 students in a school). We will continue our work in our schools.

Note:

More of 10 schools demanding our help and salary for their teachers. Really they need our help and this is a good chance to extend our work to develop our students' skill as well as possible. I have already sent a school details which need our help immediatly (Government middle school, Parvavai,).So please take a decision on this and give me a positive replay as soon as possible.

The training subjects are listed below

- 1. Sources of Water**
- 2. Salt water (93%)**
- 3. Drinking water (3% Lakes, River flow, Ground & Icecaps water)**
