Our aims teachers were working well in our schools regularly. Our teachers **M.Josephin punitha** had conducted special evening study classes usually in Government middle school, near register office, colachel. I trained them how to keep clean the class rooms, schools and surrounding their places. After the Training the students select a group in all classes in their school to keep clean classes & schools. .Because of the Pongal & Republic holidays our teachers had worked only 16 days in our schools.
