Kaliyankadu School Teaching Project

Project Name : School Teaching Project and English Skill development program
Government Primary School, Kaliyankadu,
Vetturnimadam, p.o
Nagercoil
Pin 629 003.

Report:

Our aims teachers were working well in the school regularly. They had conducted some special evening study classes in this month. I have visited this school five times of this month .And I was conducting some English Skill development classes in the school. Because of the Quarterly examination, H.M. of the School requested me to not conduct any other activities at the end of this month (September). So we can't conduct any other activity classes there. So I took special care to make the students ready to attend the exam without any fear and score high marks.
