Project Name: AIMS Student Development Center

Aim of the Project: Developing students skill

Report:

.

After the annual examination we discussed with teachers about what is able do to spend the holidays usefully for the students .The teacher replayed us that some of the students would like to spend the holidays in their relatives house, computer classes and dance classes. So they suggested the teachers to give leave for the summer holidays. So our teachers were unable to conduct any classes on May- 2009.So we decided to give leave for May 2009 .And our evening study centers starts on 02/06/2009.

SCHOOL TEACHING PROJECT

Project no: 2

After the annual examination I could not meet any students. But I had met all teachers. In summer holidays our teacher had worked to increase the student's strength, find out the dropout students and help them to continue their education. Our schools reopen on 01/06/2009. So our teachers start their work from 01/06/2009 in their schools as usually.
