**Report:**

Our teachers had worked well in our all centers in this month. I had visited several times our centers. Because of quarterly exams I could not conduct any special activity. Our teachers had started their classes earlier to make ready the students to get the high marks in quarterly examination. Teachers requested us to take some special classes for poor students'. So we had planned to teach some subjects to the needy students'. Therefore Mr. Azath and I went all centers to teach some subjects which were risk for the students. So we expect that our students will get high marks in quarterly examination. Quarterly vocation started from 26/9/09 to 4/10/09. And there was heavy rain at our places. So we could not conduct any special training which was demanded by our teachers. So we have postponed the trainings on other holidays.
