Report:

AIMS teachers are taking special care to improve educational skills for poor students in their Center as regularly. Because of pongal & republic holydays (14, 15, 16&26) our teachers had worked only Eighteen days in this month.

We are also happy to inform you that knowing about our good work, More of 60 Students has High marks (400 above)in our all centers. We did not give any prizes to encourage our students to get high marks.

We (Mr.Azath & I) had conducted the monthly planning meeting in my home on 04/02/2010 at 10.am.In this day we have planned to conduct training continuously about **Ecology & Environmental science as usually.**

we celebrated our republic day in Helan Nager Center 4pm on 26/01/2010.Mr.Azath participated the program.

The training subjects are listed below

1. Biosphere

2. Lithosphere

3. Hydrosphere

4. Atmosphere
