**Report:**

We (Mr.Azath & I) had conducted the monthly planning meeting in azath home on 02/04/2010 .In this day we had planned to conduct school Subject in the evening study center.

AIMS teachers are taking special care to improve educational skills for poor students in their center as regularly. Our teachers had worked eighteen days in this month.

I had discussed with our teachers about annual examination, how to make them ready to conduct the examination without any fear, and how to apply the easy teaching method in our all centers. As usually we had conducted G.K training & special discussion about any good subject to develop our students I.Q (Intelligent quotient) skills on every visiting .But we stopped it. Because we have planed make our students ready to prepare for annual examination. We have taught some subjects which is important for the students. (Mathematics, science and English). We have taken special care for the poor students.
