**Report:**

Our work is going on well in our all centers. Our teachers are working well and also they are keeping punctuality in their centers. Because of the half yearly examination we could not conduct any other activities.

We found that the teacher worked hard to make ready our students to get high marks in the examination. Because of the half yearly exams and half yearly leave between 24/12/2008 and 2/1/2008 we could not any discussion with students
