### Report:

Our work is going on well in our all centers. Our teachers are working well and also they are keeping punctuality in their centers. We asked some questions to the students in last month (Who is our vice president ?) .But no one could not answer in last month. But in this month we found that they could answer all those questions. So we prepared 25 G.K questions to develop the student's skill. We (Azath and I) have planned to conduct a quiz program after three months. We hope that the plan is an easy way to find out the students skills.
